

PLAYFEET THEATRE CO.

Find your feet!

LEADING WEST END PERFORMERS Nikki Worrall and Andrew Playfoot team up to bring out the best in your children with their fun, Musical Theatre based workshops. Classes are held every week during term time and don't miss their exciting Holiday Courses!

Nikki played Sandy in the West End Production of *Grease* playing opposite Craig McClachlan, Shane Ritchie and Ian Kelsey. She has appeared in many other West End Shows including *Chicago* with Denise Van Outen, Claire Sweeney, Marti Pellow and Alison Moyet. *Anything Goes* with John Barrowman, the National Theatre's production of *Love's Labour's Lost* with Joseph Fiennes and Olivia Williams, *Smokey Joe's Café*, *Mack and Mabel* and *A Chorus Line*.

Television appearances include three *Royal Variety performances*, *This Morning* with Richard and Judy and Mrs Fitch in *The Baddiel Syndrome*.

She has also had extensive teaching experience holding specialised Musical Theatre workshops around the country as well as choreographing and directing many shows including several Pantomimes at the Towngate Theatre, Basildon.

Andy played Nathan Detroit in *Guys and Dolls* taking over from Patrick Swayze. Other West End shows include *Five Guys Named Moe*, *Bombay Dreams*, *Smokey Joe's Café*, *Notre Dame de Paris*, *Chess* and *Grease*. He has appeared on *Eastenders* and *Casualty* on several occasions.

He got through to the live semi-finals of Britain's Got Talent with his vocal group 'Band of Voices' and has sung backing vocals for Adele, Robbie Williams, Kylie, Chaka Khan and Will Young to name a few. He was a featured singer on the Karen and Kevin (Strictly Come Dancing) Live Dance show. He has sung on many film soundtracks including *Mamma Mia 2*, *Pirates of the Caribbean*, *Bee Movie*, *Shrek 2*, *Alice in Wonderland*, *Transformers*, *Beauty and the Beast*, *Puss in Boots - The Last Wish*, *Last Christmas* and many more.

We feel passionately about the importance of building children's confidence and self-esteem from an early age. Our goal is to equip them with valuable life skills, helping them to express themselves clearly and confidently — not only in the classroom or assembly hall, but throughout their adult lives.

We aim to create a stimulating, happy and supportive environment where children can lose their inhibitions, make new friends and, most importantly, have fun while learning new skills.
