Where kids can unleash their inner genius

AFTER SCHOOL CARTOONING CLUB

We are excited and looking forward to another term of Komplete Genius cartooning club at your school.

Our term time programmes cover, cartooning basics including construction, expressions and poses, special effects, jokes and comic strips, lettering and Greetings cards, perspective and simple animation (not computer based, but rather drawing a character in 2 different poses and flipping between the two), anthropomorphism and illustration – drawing pictures to illustrate well-known stories.
