

Important Information: School Lunch Menu and Ordering System

Dear Parents and Guardians,

We are pleased to introduce our school lunch arrangements designed to help you manage your child's school meals quicker and easier.

To help reduce paper waste and ensure you always have access to the most up-to-date information, we have moved our menu and ordering details online. You can access everything you need directly from your smartphone using the QR codes below:

- **View the School Menu:** Scan the QR code below to view our current, nutritious lunch options and daily specials.

- **How to Order & Pay:** Scan the QR code below to visit **SwiftKitchen**, where you will find step-by-step details on how to register, view meal prices, and place your food orders.

The **Free School Meals** scheme is a fantastic initiative by the Government to ensure that all children can eat a delicious, nutritious and filling meal each and every day.
